October 2018

Announcements

We appreciate everyone who assisted with the trip to the Pumpkin Patch . It was a fun day despite the rain!

We will be studying "Community Helpers" soon. On Friday, October 19th Tullahoma Utilities will be here with their cherry picker and a brief talk on electricity safety. The following Friday the Fire Dept. will be here to talk about fire safety and for kids to experience the fire truck.

Starting next week the sign-in/out log will be different. Parents will have a place to print your name and another place for your signature. This is a new requirement by DHS that they will check.
