Join us for
Sunday School
At 9:15-10:00am
with two classes

Explore the Bible will meet
In the Fellowship Hall
(Youth will participate in this Bible Study)

and Bible Studies for Life will meet
In the Sanctuary

There will not be any children's activities during
the month of June, so children will sit with
their parents for Bible Study.

Baby Steps Nursery & Children's Church Re-opening for worship July 5 at 10:30am only

Please understand that this is not children's ministry as usual or even what it was like pre-Covid-19
There are several new baby steps that we'll be implementing as well as some of the usual familiarity:

- 1) If your child is sick, has had a fever in the last 48 hours, has had flu-like or respiratory symptoms in the past 7 days, or has had contact with anyone who tested positive for the Covid virus in the last 14 days then please do not bring them to church, the nursery, or children's church.
- 2) Volunteers and children are encouraged to wear masks but it's not required, temperature checks will be required for volunteers and hand sanitizer will be available
- 3) Please take your children to the bathroom and have them wash their hands before coming to the nursery or children's church - we also ask that you go with them to be dropped off at children's church too
- 4) We will be limiting class sizes for the first couple of weeks, so it may become necessary for us to have a signup system or ask some of you to keep your children with you in the worship service as we take these baby steps to re-opening

We will only be offering these services during the morning worship. If things go well then we may look at expanding to provide more. If you would like to help in Children's Church then please contact Brenda Griffin

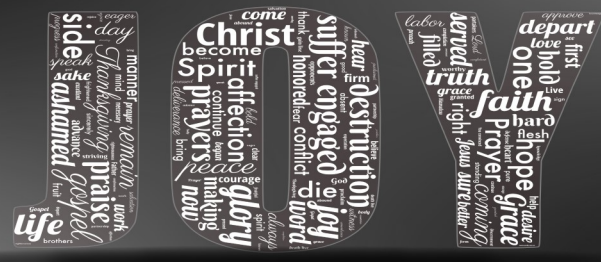

Please remember to practice
Social Distancing while in the
church building.

Closing Prayer

Today we are going to pray for Rob and Lisa Warren who serve in Madison, Wisconsin. They have a challenging mission field - more than 40,000 college students. Most of these are attending the huge University of Wisconsin. Few of these students have committed their lives to Christ. Rob and Lisa moved to Madison in the fall of 2018 and they planted Doxa Church. The primary mission is to reach the students of Madison with the gospel. They find that students are open to discussing spiritual issues. When those students accept Christ as Savior, it is a life-changing event for them. Most of the students they reach with the gospel will not stay in Madison, but will move to other parts of the country, especially in the Midwest. That's why Rob and Lisa are prepping the students to help plant new churches in communities which too often do not have even one. Our church supports Rob and Lisa through our Cooperative Program giving, so we sort of have an indirect part in every student who comes to faith in Christ. Let's pray now for our missionaries and ask the Lord to bless their ministry and give them great results.
