# Missionary Moment

Today we want to pray for two our missionaries that our church supports through our Cooperative Program giving. They are Rick and Jill Thompson, who serve in Netal, Brazil. If you look at a map of Brazil and on the right side, you’ll see a point that juts out into the Atlantic. That’s where the city of Netal sits, right on the coast. Well over 1 million people live in and around this big city. But growth increased even more after 2014, when the new international airport opened. That meant new people! To our missionaries, Rick and Jill, it also meant that many new churches were needed. They got help through a partnership with Baptist churches in Arkansas. Many Southern Baptist volunteers came to Brazil, to knock on doors in communities around the airport and tell people about Jesus. Our missionaries are still working to plant new churches in the many high-rise apartment and condo buildings that have popped up. Let’s pray for our missionaries, Rick and Jill, and their important work of planting new churches in this huge city. Let’s pray that they can meet this huge missions challenge.
