Reminders

With warm weather approaching, we recommend that your child wear tennis shoes rather than sandals or crocs so that they will not get pea gravel in their shoes.

Remember, boots are only to be worn on Mondays and Fridays to reduce scuff markers. Also your child can better run, climb, and play outside in tennis shoes.

Our preschool is honored to be nominated best preschool/daycare in Tullahoma's Finest! Thank you to all who have put that trust in us! If you haven't yet participated in the final vote, and feel we have earned your support, please go to Tullahoma News to find the link to vote. Thank you!
