**Missionary Moment**

Alex and Corrine Bouffard started Saints Church out of South Shore Church, where Alex served as a lay elder. Alex had been leading the church’s young adult ministry, which grew exponentially. Eventually, it became clear to Alex that God was turning that young adult ministry into a church of its own. So, Saints Church was born in early 2021.

Because of the community’s high education level, Alex is often asked detailed theological questions. He loves watching people’s faces light up with amazement when they realize the Bible has answers to their toughest questions.

The Cooperative Program takes the Gospel to the nations and the neighborhoods. Your financial support through the Cooperative Program gives missionaries the opportunity to plant churches in areas that need to hear the Gospel.

Pray that Alex would continue to steward God’s Word and His people for His glory.
