

Highland Highlights

August 2025

Announcements

Welcome to a new school year at Highland Baptist CDC! Our staff is excited about a fun-filled year of learning experiences!

Separation can be hard for both children and parents. We hope to make it easier for you both. If you have questions or concerns, please ask.

We welcome parental involvement. If you would like to be involved with your child's preschool experience, please let us know. Reading to our preschoolers is one way you can be involved. Grandparents are welcome.

Please read and follow all policies and procedures in our handbook. Our program can be written up for violations. Thank you for your cooperation.

Wednesday, August 27th we will have our **AWANA Kickoff** for the CDC during the morning! There will be games, activities, and lots of fun! Our AWANA Program is our church's venue for motivating students to learn scripture thru fun, engaging ways including puppets, music, and activities.

On most Wednesdays, (September thru April), our CDC will do a mini version of the Wednesday night program during Chapel time led by Pastor Jim or Pastor Matt.

Reminders

- All children should be **signed in/out daily by an adult**. Please remember if someone different is picking up your child, let us know and remind them a photo ID will be required.
- Please have your child here by **8 am** for morning snack and 8:15 if they do not need morning snack. Our more structured, learning part of our program starts about that time.
- Please remember to work on with your child your "God Made Me Special" paper with photo and turn in as soon as you can.
- **Check your child's folder daily and take covers home on Friday** to be washed. Thank you for your partnership!

Most Theme Topics

- Getting Acquainted
- God Made Me Special (letter Mm)
- Other Themes to Be Determined and will vary some according to classroom, but most likely will include Manners and Birthdays.

Happy Birthday!
