## Christi Hall

Groveport, Ohio

*Pray this week that God will open doors so Christi can speak at churches, community groups, and conferences so people will learn how they can make a difference.*

As a law enforcement chaplain, Christi Hall serves first responders across Ohio, providing spiritual support, crisis response, and ongoing care. Through the ministry she founded, Chaplains and Heroes, Christi connects churches with law enforcement, equips chaplains, and mobilizes communities to care for those who serve and protect. She also travels nationwide, speaking to churches and conferences about the unique challenges law enforcement officers face—and how believers can minister to them effectively.

Christi shares, "I can't count how many times I've prayed before walking into the jail or the detectives' bureau, asking God to open the door for conversations with the officers. He always makes a way. Only God can break through the emotional walls that often exist in law enforcement and bring His hope and peace."

*Through the Cooperative Program, our church helps provide training, resources, and encouragement for chaplains like Christi serving on the front lines.*

### Prayer Requests from our Moldova Missionaries

Please continue to pray for the church being built in Chetronseni. Our partners in this village were hoping this would be complete by this point, but we've had a very wet fall that held up construction.

Please pray for the believers there and our partner who leads this fellowship. Pray for more in the village to be open to hearing truth and accepting a personal relationship with Jesus.
